

### SVBP/A series

### Features

- ✓ It is medium-sized block vertical band sawing machine.
- ✓ used for cutting module & die stock and steel plate of medium thickness.
- ✓ The frame moves along level direction, occupation of small land area.
- ✓ Feed speed is adjustment; the performance of low feed speed system is stable.
- ✓ Greater rigidity and strength and with good band tension.

### Technical specifications

Model:	SVBP45A/40	SVBP45A/150	SVBP65A/240	SVBP80A/240	SVBP110A/240
Cutting capacity length (mm):	400	1500	2400	2400	2400
Cutting capacity throat(mm):	450	450	650	800	1100
Cutting capacity height(mm):	350	350	500	500	1000
Cutting speed(m/min):	22/50/70	22/50/70	22/48/63	22/48/63	22/48/63
Band dimensions(mm):	1.1x34x4115	1.1x34x4115	1.1x34x5500	1.3x41x5600	1.6x54x8700
Main Motor(kw):	3.0	3.0	4.0	5.5	7.5
Clamping vice:	manual	manual	manual	manual	Hydraulic
Length(mm):	1450	2600	3000	3500	3950
Width(mm):	970	1350	1600	1950	2700
Height(mm):	1850	2200	2500	1800	3200
Weight(mm):	1000	2000	3000	4000	6000

### SVBM/B series

#### Features

- ✓ It is small vertical band sawing machine .
- ✓ Hydraulically move worktable feeds work piece along level direction.
- ✓ Feed speed is adjustment; the performance of low feed speed system is stable.
- ✓ Greater rigidity and strength and with good band tension.
